

SALICE ISLAND

ASPIRE

Salice conveys understated elegance with a gently tapered canopy that measures only 5" tall that opens up the kitchen for entertainment and conversation. Available in 36" and 42" widths, Salice features a powerful 600 CFM blower, halogen lighting with 2 light intensities, stainless steel microhole filters and high-tech multi-functional electronic touch with LCD display controls that deliver convenience and safety. Designed for ducted installation, Salice can also be installed as a recirculating system using the Recirculating Kit, available, as an accessory.
