

# VARNA WALL-MOUNT

## ASPIRE

The clean lines, beautifully sloping angles and stainless steel finish of Varna make a striking visual statement. Available in 30" or 36" width, Varna features include a powerful 600 CFM blower, halogen lighting with 2 light intensities, dishwasher-safe stainless steel microhole filter and high-tech multi-function LCD controls that deliver convenience and safety. Designed for standard ducted installation, Varna can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.
