

FLEXA

INTEGRATED HOOD

STREAMLINED LOOK, SEAMLESS OPERATION

The integrated Flexa slide out hood is ideal for bringing a streamlined, minimalistic look to the kitchen. Its sleek stainless steel pull-out visor slides easily into place when in use, then neatly tucks away when not in use. For a customized look, the front strip can be replaced with material that matches the kitchen cabinetry.

The Easy Snap system with internal self-latching clips will have this range hood installed in no time at all.
