

Freestanding Ranges

CGEF3062T D/F

Signature Features

True Convection

A third heating element and single convection fan circulate hot air throughout the oven for faster and more even multi-rack baking.

Quick Boil

Get meals on the table faster with Quick Boil 3,000W element.

SpaceWise® Triple Expandable Element

Depending on your cooking needs, this convenient 3-in-1 element expands from 6" for small pots to 9" and 12" for larger cookware.

SpaceWise® Bridge Element

Evenly heat griddles, large pots or pans by bridging together two elements into one large cooking surface.

30" Electric

Product Dimensions

Height (Max.)	46-5/8"
Width	29-7/8"
Depth (Including Handle)	28-13/32"

More Easy-To-Use Features

Steam Cleaning

A 20-minute light oven cleaning that's chemical-free, odour-free, and fast.

One-Touch Self-Clean

Your oven cleans itself - so you don't have to. Self clean options available in 2-, 3- and 4-hour cycles.

Smudge-Proof™ Stainless Steel

Resists fingerprints and cleans easily.

Effortless™ Temperature Probe with Auto Keep Warm

The Effortless™ Temperature Probe allows you to set the desired finished temperature and alerts you when that temperature has been reached. The oven then holds the desired temperature of the meat by switching to a keep warm function for better cooking results.

Effortless™ Convection Conversion

Takes the guesswork out of convection cooking — our ovens automatically adjust standard baking temperatures to convection temperatures for consistent results.

SpaceWise® Warming Zone

Keep food warm on the cooktop until everything — and everyone — is ready.

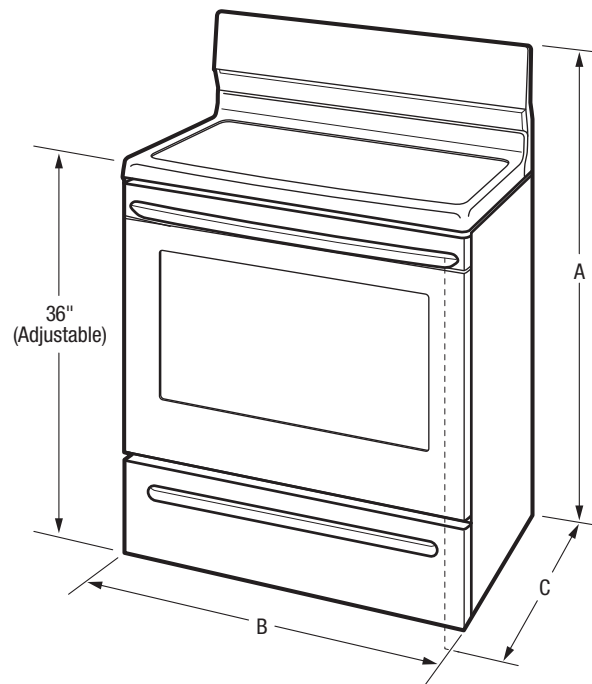

Sabbath Mode (Star-K® Certified)

Available in:

Elements	Size	Watts
