

# Freestanding Range

CGIF3061NF

30" Induction

## Product Dimensions

Height (Max.)	47-3/4"
Width	29-7/8"
Depth (Including Handles)	29"

## More Easy-To-Use Features

### Quick Clean

Our one-touch self-cleaning button gives you a clean oven — fast.

### Smudge-Proof™ Stainless Steel

Reduces fingerprints and smudges so it's easy to clean.

### Effortless™ Temperature Probe with Auto Keep Warm

Take the guesswork out of cooking with the Effortless Temperature Probe that shows you the internal cooking temperature of your food instantaneously. You can set the desired finished temperature and the oven alerts you when that temperature has been reached. The oven then holds the desired temperature of the meat by switching to a keep warm function for better cooking results.

### Keep Warm Zone

Keep food warm until everything — and everyone — is ready.

Sabbath Mode (Star-K® Certified)

## Available in:zz

Stainless  
(F)

Elements	Size	Watts
Right Front	Induction 10"	2,600/3,800
Right Rear	Induction 5"	800/1,000
Left Front	Induction 7"	1,920/2,640
Left Rear	Induction 6"	1,450/1,900
Center	Keep Warm Zone	100

*Based on single rack cooking performance, not set temperature, using Quick Preheat.*

## Signature Features

### Faster Boiling with Induction

Finish meals faster with our induction technology, including four elements that are more responsive than gas and electric ranges bringing water to a boil in two minutes.

### Reduce Cleanup Time

Our induction cooktop reduces cleanup time. It heats the pan, not the cooktop — so spills can't burn on.

### Six-Minute Quick Preheat

Preheat in less than six minutes.<sup>1</sup>

### True Convection

Single convection fan circulates hot air throughout the oven for faster and more even multi-rack baking.

Features	
Oven Control/Timing System	Precision Set™
Surface Type	Black Ceramic Glass
Window	Picture
Exterior Door Finish	Smudge-Proof™ Stainless Steel
Handle Design	Stainless Steel
Exterior Finish (Side Panels)	Black
Convection System	True Convection
