

THE SINGLE-DOOR REFRIGERATOR & FREEZER

Impossible
TO IGNORE.

FRIGIDAIRE
PROFESSIONAL.

BRING MORE

style

TO YOUR
SPACE.

Upgrade to an eye-catching built-in look with our beautiful single-door refrigerator and freezer.

FPRU19F8WF / FPFU19F8WF

Keep your food fresh and reduce freezer burn with the **EvenTemp™ Cooling System** - our variable speed compressor reacts quickly to temperature fluctuations and constantly circulates cold air

Keep frozen foods ready to eat with the **Soft Freeze Drawer**

Metallic-trimmed glass shelves

Help prevent produce from spoiling with advanced **CrispSeal® Plus Crispers with Auto Humidity**

Pure, **internal filtered water**

Always have ice on hand with our dual bin **Built-In, Glide-Out Ice Maker**

Keep food frozen for two days if there is a power outage with our superior **tight seal** that locks in cold air

PAIR TOGETHER* OR APART

Designed with flexibility in mind, our single-door refrigerators and freezers can be installed together* or separately to fit your existing kitchen, or so you can design your new kitchen exactly how you want.

Trim Kit Leveling System

(Only available with trim kits.)

(2) per unit raises height 2 3/16" min.

Installation Notes: Trim kit attaches directly to cutout opening through top and side trim pieces to stabilize units. All cutout openings that are 75" tall utilize a top collar trim piece, while taller 79" openings can utilize either a flat or louvered trim design. Trim kit also includes hardware to secure units together. Refer to detailed kit installation instructions packed with kit or on web.

*Pairing kit TWINSPAIRKIT (912000542) required for side-by-side installation
