## Highlights

- 2-in-1 Washer/Dryer**  
 Wash & Dry a large load of laundry in about 2 hours without the hassle of transferring clothes from the washer to the dryer. \*Based on completing the Normal Wash+Dry cycle with Eco Dry using a 10-lb. DOE or Mixed Load in about 2 hours See Use & Care.
- Easy Installation & Space-Saving Solutions**  
 Reimagine your laundry space and location with the flexible installation requirements of a standard 120V and no need for a dryer exhaust vent. The Ventless Combo design takes up half the space so you can rethink your laundry room possibilities.
- EZ Access Lint Filter System**  
 An exclusive, easy-to-reach lint filter system allows you to remove lint and micro particles, ensuring your Combo operates at the highest levels of efficiency.
- Fast Airflow Drying System**  
 Warm, high-speed air extracts moisture from garments to gently dry even large loads fast with less heat. Now you can wash and dry everything from a comforter to delicate items from start to finish virtually eliminating the need to hang dry
- Greater Energy Savings**  
 50% more energy efficient drying\*\* with Ventless Inverter Heat Pump (\*\*Efficiency rating as compared to the requirements for ENERGY STAR qualification for standard electric dryers).
- Large Wash Capacity**  
 5.3-cu.ft. capacity lets you clean large sized loads, even clean a king-size comforter 5.3-cu.ft. Large wash capacity allows families of all sizes to cut laundry routine in half.

Specification WASHERS	
ADA Compliant	Yes
Additional Cycles	Air Fluff
Additional Cycles	Dewrinkle
Additional Cycles	EcoCool™
Additional Cycles	Jeans
Additional Cycles	Swimwear
Additional Cycles	Power Clean

Wash Cycles	Bulky/Bedding

- Limited Warranty**  
 Rest assured knowing your unit is backed by a 10-year limited warranty on the motor and a 5-year limited warranty on the sealed drying system.
- Microban® Antimicrobial Technology**  
 Provides antimicrobial protection on the gasket, dispenser, and draining system, to help prevent odors and ensuring your Combo stays fresh and clean load after load.
- My Setting**  
 Save preferred wash and dry cycle settings for later use, maximizing time and alleviating the need to adjust cycle preferences with every load. Cycle preferences are saved, selected and deselected with the touch of a button.
- Sanitize with Oxi**  
 Remove 99% of bacteria with a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power, while keeping fabrics looking and feeling their best.
- Shallow Depth**  
 Never compromise on convenience with this 32" shallow depth washer/dryer that easily fits into tight spaces like an alcove or closet, making it a suitable solution for homes of any size.
- Smart Features Powered by SmartHQ™**  
 When connected to the SmartHQ™ app, you can make sure your Combo always has the latest features! Plus, receive remote cycle status notifications, select detergents and download specialty cycles.
- The One and Done Laundry Experience**  
 The UltraFast Combo is designed to enhance the way you experience laundry by optimizing washing+drying all in one machine. Plus, the smarter drying technology combines fast air flow at lower temperatures to ensure maximum care for all your laundry.
