OVERALL PRODUCT DIMENSIONS (WXDXH)

36" - 36 1/16" x 27 5/16" x 36"

WARRANTY

5-Year Parts Protection
5-Year Labor Warranty
Limited-Lifetime Burner Warranty

5 YEAR WARRANTY | 100% REPLACEMENT PARTS | ETL LISTED Intertek

FEATURES & BENEFITS:

UNLEASH YOUR CULINARY CREATIVITY:
Up to 6 burners ranging from 1,000 to 20,000 BTUs give you precise control for everything from gentle simmering to steakhouse-style searing–paired with a gas oven that ensures efficient, flavourful baked meals.

BAKE TO PERFECTION WITH CONVECTION:
5.2 cu. ft. Ovens circulate hot air evenly for faster, more consistent results. Five rack positions and up to four telescopic racks let you cook multiple dishes at once (2 racks on 30" and 36" models / 4 racks on 48" models).

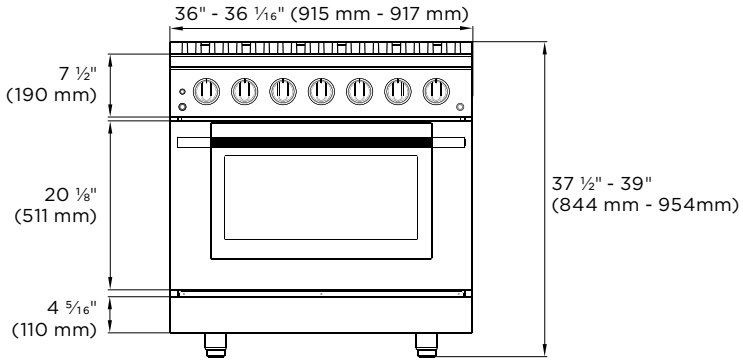

COOK SAFELY AND COMFORTABLY:
Triple-layer insulated oven doors stay cooler to the touch, protecting curious hands while locking in heat. Textured grip handles prevent slips. Telescopic racks glide smoothly for safe, burn-free access.

FITS SEAMLESSLY INTO YOUR KITCHEN:
Adjustable height (36" - 37 ½") for a flush fit, heavy-duty easy-slide grates for moving pots without lifting, and a convertible setup that works with both natural gas and LP.

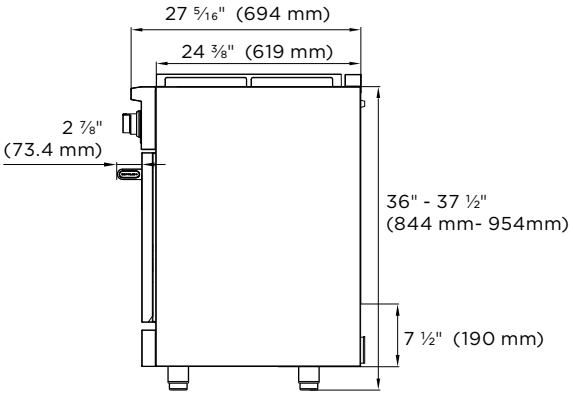

SPEND LESS TIME CLEANING:
Stainless steel finish resists fingerprints and smudges keeping cleanup quick and stress-free.

COOK WITH CONFIDENCE:
Backed by a limited-lifetime burner warranty and a 5-year parts and labor oven warranty for lasting peace of mind.
