## 5 Elements Freestanding Electric Range

Model HBE3501CPS(Stainless Steel)

- Sold exclusively at Lowe's with a 2-year warranty – twice as long as others
- Air fry function: a healthier alternative to fried foods but with the same crunch you love
- Skip the wait with the fast-preheat tech feature – giving you valuable time back in the kitchen
- This true convection oven circulates heated air around the food continuously, for faster and more even baking and roasting on every rack
- The power-boil cooking element (3300W) goes from zero to boiling in a snap, no more waiting
- Equipped with 2 cleaning options: self-cleaning for an easy, scrub-free cleanup and steam cleaning for occasional messes
- Fit for any sized feast – this large capacity oven helps you cook any kind of meal
- The edge-to-edge max view window helps you keep an eye on your delicious creations
- Special modes include dehydrate, pizza bake, keep warm, bread proofing, convection bake, roast, frozen bake, and broil

**Air fry Function**

**Large Capacity**

**True convection**

**Self clean & Steam Clean**

**Special modes:** dehydrate, pizza bake, keep warm, bread proof, roast, frozen bake, and broil

Our spacious Hisense stainless steel freestanding electric range comes with a large 5.8 cu. ft. capacity and unique features like: air fry, dehydrate, pizza bake, keep warm, bread proofing, convection bake, roast, frozen bake, and broil - so you can cook what you like, how you like it. The true convection build allows you to cook family-size meals with ease and if you're a multi-tasker, the five cooking locations include a 3300 watts element for a fast power boil all the way down to 100 watts for a slow simmer. This self-cleaning oven even comes with a steam-clean option helping to make cleanup time a breeze. That's Hisense, a better way to cook.
