# 54-Bottle Wine Fridge

Model-HWS054N6SS

The Hisense 54-bottle wine fridge is designed to showcase and preserve your valuable wine collection. With 6 smooth-glide shelves, it makes it easier to find tonight's wine to pair with your meal. It's reversible door makes it ideal for any layout – no matter what room you entertain in. And with its premium finish, your wine will be stored in style.

## Maintain and expand your wine collection with Hisense ConnectLife & Vivino

Monitor the temperature from anywhere, using the ConnectLife app and easily catalog and expand your wine collection with Vivino.

## Vibration Control

Special anti-vibration dampers and easy-glide shelving help reduce micro-vibration, which can stir up sediment and decrease the enjoyment of your wine.

## Design

Designed to showcase your wine collection either built-in to your cabinetry, or stand alone on Beechwood-faced, easy-glide shelving. It features a smooth-touch control panel with premium blue LED lighting.

## Humidity Control

Humidity Control is important to prevent corks from shrinking and your wine from spoiling. Designed to help preserve your wines within the optimal 60% humidity range.

## Preservation

Low-E and UV glass provides protection against environmental elements, this wine fridge is designed to preserve your valuable wine collection.
