

### KVWB600HBS

This 3-speed vent hood has power to effectively vent an output of up to 65K BTUs. Auto speed sensing keeps the vent at the proper fan speed by sensing the amount of heat coming from the cooktop. This 30-inch wall-mount canopy hood has both LED and halogen lights to brighten almost any work area.

#### Top Features

##### Seuil de 65 000 BTU, 585 pi cu/min.

Permet une installation uniforme au dessus de toute cuisinière ou table de cuisson KitchenAid® standard de 36 ou 30 po et certaines surfaces de cuisson de style commercial avec une puissance allant jusqu'à 65K BTU.

##### Perimeter Ventilation

Increases ventilation system efficiency by pulling air from the edges of the hood and speeding up the movement of air at the center, allowing it to efficiently handle up to a 65K BTU total output.

##### Auto Speed Setting

Takes the guesswork out of protecting cabinets from steam, grease, and moisture by automatically adjusting fan speed to ventilation needs depending on the heat being produced.

##### LED Task Lights

Provide extra lighting over the cooking surface to help in the cooking process.

#### Available Finishes/Colours

KVWB600HBS  
Black Stainless  
Steel with  
PrintShield™ Finish
