

SERVING UP STYLE

You and your guests know good taste is about more than big flavors. Thanks to LG's sleek slide-in range with EvenJet™ fan convection, you won't just entertain—you'll wow. The generous 5.4 cu. ft. capacity oven handles that impressive roast and all the accompaniments, while EvenJet™ fan convection seals in flavors and juices. And with its brushed stainless steel finish, integrated SmoothTouch™ front controls and a streamlined design that fits flush with your counters, not only will you cook like a pro—you'll look like one.

Slide-In Design

With its brushed stainless steel finish and a depth that lines up with standard kitchen countertops, the LG electric slide-in range offers a streamlined custom appearance that enhances every kitchen and makes cooking a pleasure.

Large Capacity Oven

The size of your oven shouldn't dictate what you can cook or for how many people. This Large Capacity Oven gives you more space so you have the flexibility to cook bigger meals without cramping your oven.

EvenJet™ Convection System

Delivers the ideal temperature and airflow needed for faster preheating and more precise cooking.

CAPACITY

Oven Capacity	5.4 cu. ft.
