Stainless Steel

COUNTERTOP

Room to Cook

With 1.5 cu.ft. of microwaveable space, heat up all your foods quickly no matter what their size. From a pizza slice to a plate of leftovers, this microwave can handle it all.

Cook Healthy with Steam

The platter heats up and acts as a frying pan or baking sheet while the Steam Dome retains the heat and helps to evenly cook the food.

Clean Up is a Breeze

LG's innovative EasyClean coating allows you to wipe up spills and splatters efficiently and quickly.

Well-Rounded

LG's innovative Round Cavity maximizes internal space to in a standard countertop size. Plus, its smooth design allows for easy clean up with no hard-to-reach corners for food to get trapped in.

Perfectly Cooked Meals

Sensor cooking technology measures humidity levels inside the oven to automatically adjust cooking time and power for deliciously perfect results.
