- Sensor Dry System for Intelligent Fabric Care and Energy Efficiency
- SmartDiagnosis™
- 8 Drying Programs
- 5 Temperature Settings
- 3 Minute Installation Check
- FlowSense™ Duct Clogging Indicator
- Drying Rack
- Wrinkle Care Option
- Anti-Bacterial Cycle
- Custom Program
- Damp Dry Signal

Style and Design

- Electronic Control Panel with Dual LED Display and Dial-A-Cycle™
- Solid Door with Silver Trim

Technology Benefits

- LoDecibel™ Quiet Operation

ELECTRIC DRYERS

Less Time with Your Iron

Who likes ironing? No one. The EasyIron™ option lightly moistens clothes to make ironing easier and more efficient.

Never Clingy

That stowaway sock won't be attached to your pant leg any longer. The ReduceStatic™ option virtually eliminates static cling.

Big Time Saver

Do laundry a little less often. With 7.3 cu.ft. of capacity, this dryer handles really large loads. Saving you time and energy.

Accurate Drying

Our Sensor Dry system measures the moisture levels during the cycle and automatically adjusts the drying time, assuring you get dry laundry every time.

Call, Connect, Resolve

SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.

Keep it Quiet

There's no need for laundry to be noisy. Thanks to LG's LoDecibel™ operation, chances are you'll never even notice it.

Pressed For Time

With the Wrinkle Care Cycle just pop your dry clothes in for a tumble on the Wrinkle Care Cycle to reduce creases.
