

## 24" ELECTRIC DRYER

# DLEV833

### PERFORMANCE

- LoDecibel Quiet System (57dB sound power)
- Gentle 3-Step MTC (Multi-Temp Control) Heating Element
- Fast Drying Time

### INTELLIGENT FABRIC CARE

- SenseDry™ System
- 4 Drying Programs
- 3 Temperature Levels
- Precise Temperature Control
- Delicate Cycle

### STYLE AND DESIGN

- Front Control Panel with Dial-A-Cycle™ and LED Display
- Available in White Finish
- Stackable with Matching Washer (WM1333HW)
- Stainless Steel Drum

## 24" ELECTRIC DRYER

### LoDecibel™ Quiet Operation

LG's heavy duty dryer with LoDecibel™ Quiet Operation is noticeably quieter than any other dryer. You can even throw in a load of laundry before you go to bed! Excellent for early risers or night owls who wish to knock off a few chores while the family sleeps.

### Multi-Temperature Control Element

Most dryer elements cycle on and off creating temperature spikes. Thanks to its unique variable wattage technology, LG's Multi Temperature Control (MTC) element maintains even temperatures resulting in gentle, safe drying at any setting.

### NeveRust™ Stainless Steel Drum

Stainless Steel drum is the ultimate in durability. It's chip-proof, hygienic interior will not discolour.

### Auto Drying System

With LG, your clothes will never tumble any longer than necessary. A sophisticated Electronic Moisture Sensing Strip, located inside of the drum, comes into direct contact with clothes and accurately gauges when they are dried to your liking.

## DLEV833

### GENERAL FEATURES

Capacity	4.1 cu.ft.
Control Type	Front Control, Electronic Dial-A-Cycle™
End of Cycle Signal	•
Child Lock	•
Interior Light	•
Reversible Door	•
Time Remaining / Status Indicator	•
Leveling Legs	4 Adjustable Legs
Noise Level	57 dB
Energy Efficiency	400 kWh
Dry Time	17 min/kg
Auto Drying System	Electronic Moisture Sensor w/ Thermistor Control
Gentle MTC Element (Multi-Temp Control)	3 Step
Exhaust Option	3 Way Venting

### DRY PROGRAMS

Manual	Air Dry/Warm Dry
Cotton/Linen	Very Dry/Normal, Less Dry, Damp Dry
Mixed Fabrics	Damp Dry/Normal/Very Dry
Special Fabrics	Delicates

### DRY OPTIONS

Low Temp	•
Wrinkle Care	•
More Time	•
Less Time	•
Time Delay	Up to 19 Hours

### FABRIC CARE FEATURES

SenseDry™	•
Dual Humidity Sensors	•
Precise Temperature Control w/ Variable Heater	•

### MATERIAL & FINISHES

Drum Material	NeveRust™ Stainless Steel Drum
Cabinet	Painted Steel
Door Design	Fully Covered
Door Frame	White
Finish	White

### ACCESSORIES

Stacking Kit	Included with Dryer
--------------	---------------------

### POWER SOURCE

Ratings	UL Listed
Requirements(Canada)	230V/60Hz/14 Amps
Type	Electric

### DIMENSIONS

Product(WXHXD)	23 2/5" x 33 1/2" x 23 3/5"
Packing(WXHXD)	
Depth with Door Open	
Weight (lbs): Net	86

### UPC CODE

77245 401 7827

**WARRANTY INFORMATION** 1 year full warranty on parts and labour.  
3 years on controller, 5 years on liner and tub, and 7 years on DirectDrive™ motor.
