

Setting the shared folder

- 1) If you use Windows XP or Vista, please refer to <http://support.microsoft.com/kb/304040> for XP or <http://support.microsoft.com/kb/961498> for Vista.
- 2) If a conflict occurs between Windows XP simple file sharing and the PC Streaming function of the Blu-ray Disc Player, please refer to the link below to disable simple file sharing. <http://support.microsoft.com/kb/307874>
