

RF220NFTASR

SAMSUNG

22 cu. ft.¹ French Door Refrigerator in Stainless Steel

Signature Features

Large Storage Capacity

- Striking, sleek design with ample interior storage space.
- Enjoy fewer trips to the grocery store thanks to 22 cu. ft. space – fits up to 22 bags of groceries²

High-Efficiency LED Lighting

- High-efficiency design beautifully lights up the interior so you're able to quickly spot what you want.
- Sleek design saves more space than traditional incandescent light bulbs.

Wide Open Pantry

- Store long, flat and wide food items that cannot fit elsewhere. Great for storing party platters and more, without taking up space on other shelves

Fingerprint Resistant Finish

- A special finish to reduce smudges and minimize cleaning

SAMSUNG

22 cu. ft.¹ French Door Refrigerator in Stainless Steel

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 3.75" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and to be able to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Model	RF220**
Depth "A"	34 3/4" (884 mm)
Width "B"	29 3/4" (758 mm)
Height "C"	65 1/4" (1655 mm)
Overall Height "D"	66 3/4" (1695 mm)
Depth "E"	37 1/4" (944 mm)
