

SYDNEY

24" Single Zone Wine Cellar - SSWC056D1B-S

PRODUCT FEATURES

Luxury, Obstruction-Free

The zero-clearance hinge system on this unit makes for a flush fit integrated built-in that will blend seamlessly with neighbouring cabinets. Surrounding surfaces will also be safe from bumps and nicks due to this ingeniously designed door system.

Stylish & Sound Shelving

Stainless steel ball bearing glides which extend 60% beyond the cabinet allow for you to effortlessly and safely select the perfect wine

Perfected Preservation

The alarm system works to ensure your varietals are continuously stored at the ideal temperature. An alert will gently sound if the door is not securely closed and when the temperature gets higher than your desired setting, so you can always be sure your wine is perfectly preserved.

Keep in the Cool

Low E-Glass seals in the cold in a way that's similar to a thermostat lining. The extremely thin layers of safe and low emissivity materials used in this unit reflect interior temperatures back inside, keeping your drinks properly chilled and protected

PRODUCT DESCRIPTION

Sydney is the perfect wine cellar for the stylish entertainer. The bold black stainless steel finish with matching aluminium handle is as equally brilliant as the wine showcased inside. This contemporary unit houses the finest of features, including a high temperature and door ajar alert to ensure your favourite varietals are continuously stored at the ideal temperature for your guests' ultimate enjoyment.
