

THE RENOIR

Wine Displayer - SR001

PRODUCT DESCRIPTION

Would you leave an original Rembrandt in your basement to collect dust where no one could see it? Then why store a bottle of Chateau Lafite or any of your most prized wine in a place that goes unnoticed. Our contemporary wine display showcases each and every bottle from the outside. Named after the late French painter Pierre-Auguste Renoir, the *Silhouette Renoir* is the industry's first solid-state wine display with looks rivaling that of the world's most beautiful works of art. Don't just collect wine; showcase your collection with a functional wall-mounted display.
