Gas safety valves	Yes

Compact- design cooker with gas oven and gas hob: efficient and responsive, the visible heat source allows total control and choice of the right intensity.

## Features

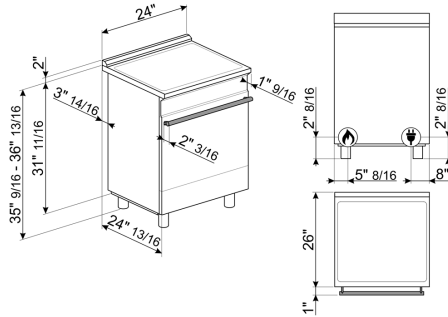

**Gas hob** - Gas provides permanent control of the heat source and the temperature change is immediate

**Storage compartment** - More space thanks to the lower compartment, ideal for storing accessories or cooking utensils

**Tangential cooling** - New cooling system with tangential fan and airflow from the door to the splashback

**Soft close** - The door is equipped with a specific system for silent closing
