

## Product Features

### Side Trim Kit for Side-by-side Installation of Thermador® Wall Ovens

#### Design

The TWO30YS side trim kit is compatible with certain Thermador Masterpiece® and Thermador Professional® Series conventional ovens when used in a side-by-side configuration

Trim kit was designed to improve the look and side-by-side installation requirements

Please refer to the Combination Guide for a complete model list and more details.

It is recommended to change the side trims prior to installing the oven in the cabinetry in order to access the side trim screws.

Notes: Please refer to installation instructions. Installation instructions are available at [www.thermador.com](http://www.thermador.com). Specifications are correct at the time of printing. Thermador reserves the right to change product specifications and design at any time, without notice.
