Power Ratings	120V, 60Hz / 1.67kW, 14.5 Amps

CONTROL PANEL DETAILS

Location	Center/Top
Display Type	LCD
Color (Front/Background)	White on Black

ACCESSORIES (NOT INCLUDED)

30" Flush Mount Kits	FMK30D1

FEATURES & BENEFITS

- **Drawer Design:** The 30-inch Microwave Drawer is flexible to your kitchen design and can be placed below an island, peninsula, or standard cabinetry or can also be installed adjacent to your wall oven.
- **12 Unique Sensor Functions:** 12 unique easy-to-use food prep functions include everyday functions like defrost and a beverage center as well as luxury features such as two popcorn settings, melting chocolate, and softening ice cream. Use the "add a minute" feature to top off the perfect cook.
- **Multiple Power Modes:** Offers 10 power modes for precision heating, from a delicate power mode for melting chocolate to cranking up the power and using 950-watts for cooking and defrosting your favorite foods. The control is at your fingertips.
- **Auto Touch Open/Close Control:** Allows you to easily open and close the microwave drawer at the touch of a button.
- **Spacious Capacity:** 1.2 cu.ft. capacity can accommodate a variety of different container shapes and sizes.
- **Keep Warm Function:** Delivers brief pulses of microwave power to keep your cooked foods warm without overcooking until they're ready to be served.
- **Sleek Design:** Stainless steel flush to cabinet design features a white touch LCD display that's easy to operate and easy to clean.
