IMPORTANT NOTE

To ensure this product is installed and operated as safely and efficiently as possible, take note of the following types of highlighted information throughout this guide:

IMPORTANT NOTE highlights information that is especially important.

CAUTION indicates a situation where minor injury or product damage may occur if instructions are not followed.

WARNING states a hazard that may cause serious injury or death if precautions are not followed.

IMPORTANT NOTE: Throughout this guide, dimensions in parentheses are millimeters unless otherwise specified.

SAFETY PRECAUTIONS

GENERAL SAFETY REQUIREMENTS

- Read this use & care guide carefully before using your new warming drawer to reduce the risk of fire, electric shock or injury to persons.
- To protect against electrical shock do not immerse cord or plug in water or other liquid.
- The use of accessory attachments not recommended by the appliance manufacturer may cause injuries.
- Do not repair or replace any part of the warming drawer unless specifically recommended in literature accompanying this appliance. All service should be referred to Thor Group Certified Service.
- Close supervision is necessary when any appliance is used by or near children.
- Do not use outdoors (model TWD3001).
- Do not use appliance for other than intended use.
- Do not touch the heating element or the interior surface of the warming drawer. These surfaces may be hot enough to burn. The inside surfaces of the warming drawer may be hot when opened.
- Do not use aluminum foil to line the warming drawer. This may cause damage to interior surfaces of the warming drawer.
- Do not heat unopened food containers, such as baby food jars and cans. Pressure build-up may cause the container to burst and cause injury.
- Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.
- Ensure that towels are stacked only as high as the sides of the drawer pan. Any higher may result in discoloration of the towels.
- Do not place more than 50 lb (20 kg) into the warming drawer.

FEATURES

1. Pan support rail locator notch
2. Removable Rack
3. Control panel
4. Drawer Pan
5. Drawer side
6. Drawer rail

WARMING DRAWER OPERATION

CONTROL PANEL

The electronic control panel features touch controls and a visual display. Refer to the illustration below. The control panel is hidden when the warming drawer is closed. Open the drawer to access the control panel.

TEMPERATURE

The warming drawer features four preset temperature settings; KEEP WARM, PROOF PLATES and CUPS. During preheat, the temperature display will alternate between the set point and the actual temperature. 'Proof' will appear until the temperature reaches 85°F (30°C) . An audible chime indicates preheat is complete. Refer to the chart below.

Setting	Min temperature	Max temperature	Default
Bread Proof	85°F(30°C)	105°F(40°C)	85°F(30°C)
Keep Warm	150°F(65°C)	185°F(85°C)	170°F(75°C)
Plates	140°F(60°C)	175°F(80°C)	150°F(65°C)
Cups	105°F(40°C)	140°F(60°C)	125°F(50°C)

TIMER

Bread Proof: The default working time is 4 hours. The maximum is 12 hours.

Keep Warm: The default working time is 2 hours. The maximum is 5 hours.

Plates: The default working time is 3 hours. The maximum is 12 hours.

Cups: The default working time is 3 hours. The maximum is 12 hours.

Setting timer:

1/ Select desired temperature.

2/ Touch TIMER UP or DOWN arrows to select the desired time (one gear every 15 minutes). 'TIMER' and the shut off time will appear in the display.

CARE RECCOMENDATIONS

CLEANING

Stainless steel

Use a nonabrasive stainless steel cleaner and apply with a soft lint-free cloth. To bring out the natural luster, lightly wipe surface with a water-dampened microfiber cloth followed by a dry polishing chamois.

Always follow the grain of stainless steel.

The stainless steel drawer pan is removable for cleaning. To remove, open drawer completely. Slide fingertips under side edges of pan, pull up and out.

Control panel

Use a spray degreaser to remove fingerprints and food soil. Spray on a cloth before wiping panel.

Do not spray cleaners directly on the control panel.

Removable Rack

Clean with hot water and mild detergent or paste of baking soda and water. Towel dry.

Interior

Wipe with a soft damp cloth. Do not use abrasive or harsh cleaners or scouring pads. For heavier soil, use baking soda or a mild soap; rinse thoroughly with hot water.

Drawer Guides

Remove food crumbs from drawer guides. Wipe with a soft dry cloth.

Note: THOR KITCHEN warming drawer is equipped with a food-grade silicone pad at the bottom of the drawer, which can be easily cleaned.

TROUBLESHOOTING

WARMING DRAWER DOES NOT OPERATE.

- Verify power is on.
- Verify electrical power to warming drawer and home circuit breaker is on.

DRAWER DOES NOT SLIDE SMOOTHLY.

- Drawer is out of alignment. Fully extend the drawer and close completely to realign.
- Drawer is overloaded. Reduce weight to less than 50 lb (20 kg) .
- Redistribute contents to balance load.

EXCESSIVE CONDENSATION.

- Remove liquid in drawer pan.
- Cover food with lid or aluminum foil.
- Temperature setting is too high. Use lower setting.

NO HEAT IN PROOF SETTING.

- Verify PROOF is illuminated on the control panel display.
- Room temperature may prevent thermostat from turning on. Food dries out in proof setting.
- Cover food with lid or aluminum foil.

PRODUCT DIMENSIONS

INSTALLATION DIMENSION

CABINET FRONT VIEW

WARMING DRAWER SIZE	MINIMUM BETWEEN CUTOUTS (A)	CUTOUT HEIGHT (B)	MINIMUM/RECOMMENDED (C)	CUTOUT WIDTH (D)	MINIMUM CABINET WIDTH (E)
30"	2½"	9⅞"	1" (2.5 cm)/	28½"	30"
(76.2 cm)	(6.4 cm)	(23.2 cm)	4¼" (10.8 cm)	(72.2 cm)	(76.2 cm)

Warming drawer can be installed as an indoor single or double installation or installed under a single oven. Two warming drawers

under a single oven are shown.

NOTE: The warming drawer cannot be leveled after being installed.

For outdoor installation follow the cutout dimensions above. Install the outdoor warming drawer in a permanent fixture.

Custom Wood Drawer Front

If you plan to install a custom wood panel to match your cabinets, we recommend consulting a qualified cabinetmaker or carpenter. The back of the wood panel must be sealed to avoid moisture damage.

WARRANTY

This product has been manufactured by Thor Group, 4651 E.
Airport Dr.Ontario, CA 91761

Thor Group disclaims all express warranties except for the following:

This warranty applies to products purchased and located in the United States. Products purchased or located outside this area are excluded.

The warranty does not apply to damage resulting from abuse, accident, natural disaster, loss of electrical power to the product for any reason, alteration, outdoor use, improper installation, and improper operation, repair or service of the product by anyone other than an authorized Thor Group, service agency or representative.

Warranties and Duration

Warranty: 2 year parts and labor.

Implied warranties terminate upon expiration of the limited warranty.

Some states do not allow limitations on how long implied warranty lasts, so the above limitation may not apply to your implied warranty.

Thor Group will pay for:

All repair labor and cost of replacement parts found to be defective due to material and workmanship. Service must be provided by a Thor Group Authorized Service Agency during normal working hours.For a Service Agency nearest you, please call 877-288-8099.

WARRANTY

Thor Group will not pay for:

This limited warranty does not cover:

1. Service to instruct you on how to use your drawer refrigerator to correct house wiring, replace or repair house fuses, service to correct the installation of your drawer refrigerator.
2. Repairs when your drawer refrigerator is used for other than normal, single-family household use or when it is used in a manner that is contrary to published user or operator instructions and/or installation instructions.
3. Cosmetic damage, including chips, dents, scratches or other damage to the finish of your drawer refrigerator, unless such damage results from defects in materials or workmanship and is reported to Thor Group within 30 days from the date of purchase.
4. Costs associated with the removal from your home of your drawer refrigerator for repairs. This drawer refrigerator is designed to be repaired in the home and only in-home service is covered by this warranty.
5. Damage resulting from misuse, alteration, accident, abuse, fire, flood, acts of God, improper installation, installation not in accordance with electrical, or use of consumables or cleaning products not approved by Thor Group.
6. Service to repair or replace consumable parts. Consumable parts are not included in the warranty coverage.
7. The removal and reinstallation of your drawer refrigerator if it is installed in an inaccessible location or is not installed in accordance with published installation instructions.
8. This warranty is void if the factory applied serial number has been altered or removed from your drawer refrigerator.
9. Repairs to parts or systems resulting from unauthorized modifications made to the appliance.
10. Expenses for travel and transportation for product service if your drawer refrigerator is located in a remote area where service by an authorized Thor Group servicer is not available.
11. In any circumstance, Thor does not pay for food loss claims on drawer refrigerator products.

Should the appliance be sold by the original purchaser during the warranty period, warranty shall extend to the new owner until the expiration date of the original purchaser warranty period.

WARRANTY

Thor Group is not responsible for incidental or consequential damages. Under no circumstances will Thor Group's liability exceed the cost that you paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights that vary from state to state. Whenever you call our customer service at 877-288-8099 (Thor Kitchen product) for technical information and parts sales in the United States or to request service for your appliance, please have your complete model number and serial number ready. The model and serial number can be found on the product data plate.
