Top Features

Smart appliance

Care smarter with connected features that let you send cooking instructions to the oven from your smartphone, control your kitchen with voice commands using a compatible voice-enabled device or skip preheating.

Touchscreen

Get instant access to the settings you use most with an all-new touchscreen that learns, adapts and suggests customized presets based on your family's routines.

Voice control with a compatible voice-enabled device (U.S. only.)

Control your kitchen no matter what you've got on your hands with simple voice commands using the Google Assistant or an Alexa-enabled device.

Frozen Bake™ technology

Skip preheating and cook frozen favorites like pizza in fewer steps with preprogrammed settings that automatically adjust cooking times for you.
