DESIGNER COLLECTIONS

## **THIS IS ZEPHYR**

---

A company driven by the idea that everything in the home is an opportunity for personal expression. That's why we've raised the kitchen hood to its rightful place as a distinctive design element that also delivers powerful performance.

### **BOLD SOLUTIONS**

Partnering with some of the most renowned designers we've crafted collections that are not only design driven but also contain the very latest in innovative & efficient technology.

## MEET OUR DESIGNERS

---

### FU TUNG CHENG

Individual. Elegant. Inspired. Fu-Tung Cheng's work is internationally known for its sophisticated, understated design, understanding of craft, and artful use of simple yet refined materials. Fu-Tung Cheng is one of the most influential kitchen and bath designers working today, and Cheng Design, located in Berkeley, California, offers custom home design and commercial products. Along with his work for Zephyr, Fu-Tung also offers a boutique line of sculptural countertops using a proprietary concrete formula.

### ROBERT BRUNNER

Transformative. Revolutionary. Game Changing. Statements like these have followed Robert Brunner throughout his career—initially as founder of Apple's first industrial design group and today as co-founder of Ammunition Design Group, offering product, identity and interaction design to many U.S. and international clients. His work is included in the permanent collections of The Museum of Modern Art in both New York and San Francisco.

## Craftsmanship and Artistry

---

At Zephyr, great design is never an afterthought or a luxury - it's a way of life. That's why we partnered with internationally known design pioneer Fu-Tung Cheng to create a visionary collection that fuses contemporary lines and an expression of artistry with powerful performance.

## Timeless Design Ten Years in the Making

---

In 2004, Zephyr staged a minor revolution with design visionary Fu-Tung Cheng to create the Cheng Collection—the industry’s first signature line of ventilation hoods to fuse elegant contours and exceptional craftsmanship with powerful performance.

In celebration of our 10-year anniversary, we’re making history once again with the introduction of the Limited Edition Okeanito models.
