⚠ **WARNING: Remove hood cover before operating grill.**

Note: Range hood must be installed prior to installing the protective vinyl cover.

Step1:
Mark wall in 3 places on the left and right sides of hood as shown in **Fig. 01**

Step 2:
Use #6 flat-head screws to secure buttons to wall at marked locations. **Fig. 02** Determine the length of screws for your application (minimum 1/2"). Wall anchors may be necessary in some applications. Purchase screws and wall anchors separately.

Slide vinyl cover over hood and snap onto buttons.
